SIMPLIFIED LENDING ON DEFI

CRYPTO CONSERVATIVES HAVE NOWHERE TO BORROW

Crypto Conservative

Seeks:
- low-risk growth / access to liquidity
- predictability

Avoids:
- demanding and exotic platforms

Simple UX
Attractive Rates

Finding DeFi platforms too confusing and demanding, went to Celsius and BlockFi to unlock value

False Hope

These “safe havens” turned out to be a mirage, leaving no simple fixed-rate way to borrow on their crypto
